Ritz-Carlton Hotel & Residences Downtown New York

Location: New York, New York

Client: Ritz-Carlton

Project Description: Bovis Lend Lease is managing the construction of the 70-story, 861 foot residential tower, the tallest residential tower in the world, which will feature magnificent residences ranging from extravagant one-bedroom apartments to spectacular four-bedroom penthouses with wood-burning fireplaces and maid's chambers. The project, winner of the Roger H. Corbetta - 2000 Annual Award, the highest award presented by the Concrete Industry Board of New York, will feature private spas, health club, swimming pool, restaurant, private wine cellar, private gardens, concierge, doormen, and security and service staff. A house phone in each residence will provide direct service to the concierge, security office health club, garage and valet service.

Project Value: \$176,932,000

Completion Date: 2001

Assignment: Construction Management
